Grand Knight's Message

Dear Brother Knights,

The Holidays are upon us, and on behalf of all officers of Council 3884, I would like to wish everyone a Merry Christmas and Happy New Year. 2011 was a good year for our council, and we are hoping to have an even better one in 2012. We will be starting Pasta night again in January, as always there is no smoking until after dinner. We're hoping for increased attendance; check the event calendar for more activities. We will be holding an installation in February for new members. If you know of anyone who would like to join our Council, please call the Council home, or contact Adam Schibley. In closing, please remember the principal of our order is Charity, help someone if you can. Have a Safe and Happy Holiday.

Fraternally yours,

Bill Dunn, Grand Knight

Corporation

Brothers,

On behalf of myself and the board, I want to wish you a Merry Christmas and Happy New Year. We also need to thank everyone for all their support this past year and we are looking forward to your continued support in 2012. However, we still need more members to support council and corporate functions for us to grow and become financially stable. Please make a New Years resolution to become more active in 2012. It all starts with supporting one function and hopefully more. You may be surprised how much you might enjoy the company of other Catholic men and their families who share your values.

This year we had two capital improvement expenses, a shed and three smoke eaters. The shed gave us space to safely store the gas grill and other items. The smoke eaters were installed in December by Tim Scott and other members who volunteered their time. If you have not been to the club because of the smoke, you now do not have an excuse for not coming down to the club. If you are in the area by
